Privacy Policy:

We want you to know how your Patient Health Information (PHI) will be used in this office and your rights concerning those records. Before we begin any health care operations we must require you to read and sign this consent form stating that you understand and agree how your records are used.

1. The patient understands and agrees to allow NFHC* to use their PHI for treatment, payment, health care operations, and coordination of care.
2. The patient has the right to examine and obtain a copy of his/her own records at any time. The patient may request to know what disclosures have been made and submit in writing any further restrictions on the use of their PHI. Our office will not release any of your records without your written consent.
3. A patient’s written consent need only be obtained one time for all subsequent care given the patient in this office.
4. The patient may provide a written request to revoke consent at any time during care. This would not affect the use of those records for the care given prior to the written request to revoke consent but would apply to any care given after the request has been presented.
5. For your security and right to privacy, all staff has been trained in patient record privacy and a privacy official has been designated to enforce those procedures in our office. We have taken all precautions that are known by NFHC* to assure that your records are not readily available to those who do not need them.
6. If a patient has a complaint about the privacy of records, please contact Michaelaele, our office manager.
7. If the patient refuses to sign this consent, our office has the right to refuse care.

I have read and understand how my PHI will be used and I agree to these policies and procedures. Please let us know if you would like a full copy of the office “Notice of Patient Privacy Policy”.
